

# Family Support Conference

Come and join us for a day of learning about low or no cost strategies that you can use at home with your kids who have disabilities or special health care needs!

We will talk about toilet training, how to deal with challenging behaviors, sensory regulation, mental health issues, how to plan for your child's future, how to advocate for your child, how to work with your child's doctor, etc.

Professionals from Cincinnati Children's Hospital will give you hands-on and practical tips for your everyday life.
