CONNECT WITH NATURE Family Hike & Creeking ECRN+ & METRO PARKS

SUNDAY, JULY 23RD

1:00 - 2:30pm & 2:30 - 4:00pm

DARBY BEND LAKES AT PRAIRIE OAKS METRO PARK

2755 Amity Road, Hilliard, OH 43026

Explore nature in the ultimate sensory experience!

Discover beautiful Darby Creek up close & personal while you wade in the water to discover fish, bugs, crawdads, and more! Jen Rosa, Metro Parks Naturalist will guide us on a family hike (approximately one mile roundtrip) to the creek. Children and caregivers can participate in a positive physical activity while connecting with other families and the community through nature.

Event will be held rain or shine. Should the weather or creek be a safety risk, we will need to cancel. Stay tuned to ECRN+'s facebook page (www.facebook.com/ECRNplus) or call 614.835.6073 the day of the event for weather updates.

WHO: Children/youth with special needs alongside their family & friends.

COST: FREE but registration is mandatory
