This training is designed for parents
and will overview parent’s rights
under IDEA 2004. It is also a make-
it-take-it workshop that will assist
participants in organizing records
that pertain to their child’s
education and health needs.

Participants will gain a functional
knowledge of parent’s rights under
IDEA 2004. The six components of
FAPE will be discussed and
explained. Also, how documentation
can be used to assist parents in
developing an Individualized
Education Program (IEP), and how to
work with other agencies .
