Hello!

I would like to extend to you an invitation for your organization to join our the Ohio Coalition for the Education of Children with Disabilities. We are a statewide, non-profit organization of parents and friends of people with disabilities. The Coalition was organized in 1972. Since that time, we have provided advocacy, information and support to people across the state of Ohio. Our organization has been able to continue our work because of the resources and support that each of our member organizations provide.

As a parent of a young man with deaf-blindness, I know how important it is for parents and professionals to work together. You can show your support for children with disabilities by becoming one of the many new concerned organizational members of OCECD. As members, you will receive state and national information which will keep you abreast of new developments in public policy. You will also be invited to bi-monthly Governing Board meetings as a voting member.

Please join us in our mission to ensure that every child with disabilities is provided a free, appropriate public education. Simply fill out the enclosed application and send it in with your tax-deductible dues contribution in the envelope provided. Thank you for your time, concern and contribution on behalf of all Ohio citizens with disabilities.

Sincerely,

*Margaret Burley
Executive Director*
