Please read below to find out how one student at the parent event shared what she took away from her experience with the It's My Turn training.

## *I Can Do Anything*

*I can do anything  
I set my mind to  
I can make dreams happen  
By the things that I do.  
Thinking positively no matter what  
Today and everyday  
For it's all in how I look at things  
And what's put into play.*

Whitmer High School

*I can do anything  
In this journey called life  
Laugh, live, celebrate...  
Soar to new heights,  
For the world seems a better place  
When I seize each new day  
And as I journey I will remember:  
Happiness comes most to those who give it away.*

Mohawk High School

*So I'll look forward to each new adventure,  
And listen to my heart  
Follow my goals and do my part.  
Taking joy in today for it's mine to explore  
For I can do anything  
When I let my dreams soar.*
