

**2018 OOTA Pediatric Summer Training Series
A Practice Update for School-Based Practitioners**

**Facilitator: Brenda George, MS, OTR/L
Pediatric Special Interest Section Coordinator**

The 2018 OOTA Pediatric Summer Trainings will focus on the new Ohio Department of Education's ETR and IEP forms and guidance. This professional development event is being provided in collaboration with the Office for Exceptional Children (OEC). Representatives of OEC will provide content information and address practitioner's questions. Discussions and learning activities specific to occupational therapy as a related service will be included. Other practice updates and additional topics will be included as time permits.

Who should attend: School based practitioners, employed or contracted, are encouraged to attend to learn more about these new forms and requirements. This is a prime networking opportunity with practitioners within your region to improve ETR and IEP documentation accuracy, compliance and consistency.

Workshop general info: 7 regional trainings are being offered. Register for the date/location that best suits your summer schedule, regardless of your OOTA district. Most trainings are from 9:30 - 4:00, check-in at 9:00 am.

Cost: \$65.00 for OOTA members, \$90.00 for non-OOTA members (Join when you register to get member price)

Lunch: There will be a 45-minute break. Plan to bring your lunch. Updates per site regarding food available for purchase will be included in your training materials letter.

CE: 5.75 contact hours including one hour of ethics credit. A CE certificate will be emailed following the workshop.

Be sure that OOTA has your **personal** summer address.
