“The training for reading mentoring provided any parent (not just those with reading difficulties) with invaluable information and the necessary tools to help all children to become powerful readers.”

Jeanie Glaze, River Valley Reading Recovery Teacher

AARM can help any student who reads below a 6th grade reading level.

Family Members/Caregivers will:

- learn about the mentoring materials from www.Readinga-z.com
- learn about how to use- www.M4RA.org and www.Readinga-z.com
- role play a 30 minute mentoring session

It's a win-win...the workshop provides the “know how” for parents; and parents leave with the knowledge to use the Reading A-Z Tutor/Mentor Packs.
