EXPLORING THE EFFECTS OF TRAUMA
AND HOW TO PROMOTE RESILIENCY”

Sponsored by
The Parent Mentor Program, Western Buckeye ESC, Paulding County
and in collaboration with
Westwood Behavioral Health Center and Paulding County United Way

This training is a Strategic Response to the Paulding County Community Health Improvement Plan/Survey

FREE Training for Parents, Caregivers, Educators & Professionals!

With Presenter:

Ashlen Glenn, LPC, CTP, Westwood Behavioral Health Center

About the Presenter: Ashlen Glenn is a licensed professional counselor, who works at Westwood Behavioral Health Center. As a Certified Trauma Practitioner Ashlen specializes in working with students and families who have been through traumatic experiences.

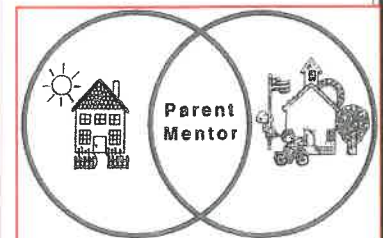

Topic Overview: In this training you will be equipped with an awareness and understanding of trauma. Trauma’s effect on the brain will be explored as well as education on the symptoms of trauma. We will identify how to support the child in the home and school environments as well as resiliency factors that promote healing. Upon completion a working knowledge of suicide awareness and prevention will also be gained.

Date & Time: Thursday, April 25, 2019, 4:30 p.m.—6:30 p.m.

Training Location: Wayne Trace JR-SR High School, 4915 US 127, Haviland, OH
(Please park and enter on Westside of the high school, entering through the glass doors)

There is no cost to attend the Parent—Professional Trainings.
