Ohio Coalition for the Education of Children
with Disabilities (OCECD)
165 West Center Street, Suite 302
Marion, Ohio 43302
1-844-382-5452.

This training is designed to provide an overview of the developmental stages of a child's growth, including common characteristics and traits.

Stages of brain development and how to stimulate dendrite growth are addressed, along with the emotional and temperamental needs of children.

Emphasis will be placed on pre-school age children.

**Step Up To Quality Approved—
2.0 hours**
