

# Pathways Through Autism...and Other Disabilities

## **S.A.L.S.A** **Seneca Autism** **Learning & Support** **Association**

“Pathways through Autism” is an event designed for parents to obtain information to help navigate through each stage of life on the road of Autism. “Pathways through Autism” offers parents direct interaction with local providers who work in the field of Autism Spectrum Disorders. Speakers have been arranged to highlight some of the frequently asked questions and to direct parents to the correct local resource/exhibitor.
